## PERSONAL STATEMENT:

As a performer in the industry, I am always ready to support the teams and projects that I represent in the best way possible. I am committed to going above and beyond to elevate any project I'm involved with, through my passion, skills, and ability to listen and deliver.

My years of consistent discipline within dance has carried through into all my stunt training, with my drive and focus only heightening the more I learn and thrive. Every day I wake with the excitement full of positive energy to share with the team.
